"It's not about the treasure – it's about the hunt."

~William Ritter

Event: ED Cell MNIT Jaipur, in collaboration with Literary society, plans to conduct a Treasure Hunt on the 12th of December 2021. Students of all branches and years will be able to participate. To win the final treasure, Participants will have to work in teams and cooperate with the organisers as their problem-solving skills will be put to the test.

Compete with multiple teams consisting of students from all branches and years present at the institution

Search for the final prize throughout the campus, with your team, while solving tasks as quick as possible

And most important of all, don't forget to enjoy the hunt. As sometimes the path is more precious than the destination.

What To Expect :

Fun, puzzling questions, and more fun.. Each team will comprise of maximum 5 members. The event is all about working as a team and reaching the end of the path. Questions will be linked with all the famous web series, making the event relatable and more recreational along with a sprinkle of day-to-day market ups and downs, thus touching the emotion behind EDC. The winning team would be given vouchers worth Rs.2500.
